

## COASTAL HABITAT AWARENESS PROJECT

The **Coastal Habitat Awareness Project (CHAP)** is a **FREE interactive learning** experience designed to raise awareness of our rock pool and seagrass residents, local coastal habitats and the interactions between them. The project will provide opportunities to participate in activities to conserve and protect our coastal environment.

### Course features:

- ▶ Expert tutors
- ▶ Talks & field trips (18, 19 & 25 October 2014)
- ▶ Certificate on course completion
- ▶ Suitable for ages 12-80+

Come along to the **information session** on

**Wednesday 8 October 2014**

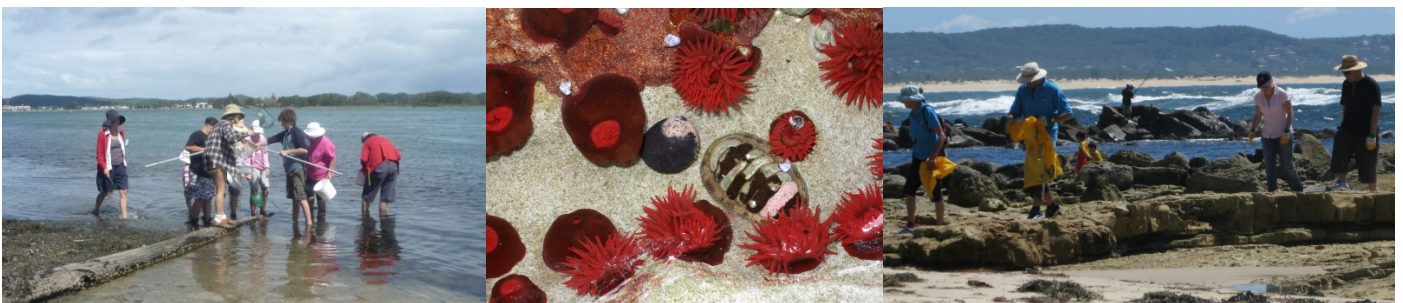

6.30-8.00 pm

Belmont Neighbourhood Centre

359 Old Pacific Highway, Belmont North.

Bookings and enquiries phone 0487 501 782 or email
